A GOSPEL CAMPAIGN TO REACH YOUR CITY

IGNITE serves local churches through a **multi-phase campaign built for lasting impact:** equipping believers, reaching lost people, uniting churches, and empowering everyday people for evangelism and discipleship that multiplies - **so that cities are transformed through the power of Christ!**

PHASE 1: EQUIP

Your people gain confidence and practical tools for everyday gospel conversations, through Life on Purpose Conferences.

PHASE 2: PROCLAIM

Your church unites with other churches, as equipped believers bring lost people to a city-wide evangelistic Ignite Gathering.

PHASE 3: EMPOWER

New believers join reproducible discipleship groups in your church for spiritual growth, using the **Multipling Movements** resource.

CAN YOU FEEL IT IN YOUR CITY?

Hearts are open.
People are searching.
The spiritual need is greater than ever.
The harvest isn't just ready – it's waiting.

TOGETHER, WE CAN BUILD WHAT NONE OF US COULD DO ALONE!

**"Our church grew
300% in just three
months!"**

CrossPath Church,

passion to reach lost
people."**
